

# Steamboat Summer Academy

Academics – Adventure - Athletics  
Steamboat Summer Academy

June 24-July 28  
[www.lws.edu/ssa](http://www.lws.edu/ssa)  
Make summer count

## Program Description

The Steamboat Summer Academy is designed for motivated high school students seeking academic challenge and elevated summer adventure. The SSA is set in the beautiful mountains of Steamboat Springs, Colorado, at The Lowell Whiteman School, in the heart of pristine Colorado wilderness.

The five-week academy allows students to enroll in one high school course while taking advantage of the opportunity to gain skills in outdoor adventure activities. Courses may be taken for credit or enrichment, and students may board or participate as day students.

## Courses and Activities

**Major Courses:** Algebra II, Spanish II, US History, Biology, PreCalculus, ESL (class offerings are subject to change)

**Electives:** SAT Prep, Study Skills and Organization, Art, Technology  
**Activity Options** (for non-SSWSC athletes): Mountain biking, Rock climbing, Manic training, Hiking, Kayaking, Swimming, and Tubing

**Weekend Trips:** White-water rafting and kayaking, Alpine camping excursions, Mountain biking, Rock climbing

## Costs

Residential with activities: \$5000

Day Student with activities: \$3300

Day Student, Major Course only:  
\$2300

Application deadline is May 10;  
**enrollment deadline is May 31<sup>st</sup>.**

## Faculty & Staff

The SSA is run by Lowell Whiteman School faculty members who live in the dorms with the campers. Classes are taught and the outdoor activities staffed by experienced teachers.

*“What could be better than five summer weeks in Steamboat, getting ahead academically while making the most of the natural surroundings?”*

*—Brian Smith, SSA Director*
